ASYD CONFERENCE ATTENDEES & SPECIAL SESSIONS

It's almost time! If you haven't already, make your arrangements for the 2022 ASYD Conference, September 7-9 at the Classic Center in Athens, GA.

Remember that GSAN is paying all or some (depending on when you registered) of your ASYD Conference registration fee. If you registered for the conference but can't attend please use the confirmation email to cancel that reservation or contact the BOOST program for assistance. Registration using the BOOST discount is limited to 2 individuals per organization; if you can't attend, please make room for another individual in your organization to take advantage of the discount code. Unsure if your organization is represented? Contact Tyiska Demery, Senior Quality Specialist at GSAN.

Please note that there will be 2 special BOOST-related events.

1. **REQUIRED** - The **BOOST workshop session** is designed just for grantees and will provide an overview of Year 1 results as well as a collaborative effort to design collective impact measures. Look for this on the schedule for Thursday, September 8. GSAN requests that the BOOST staff from your organization attend this session; we welcome staff from all levels and across all roles!
2. **OPTIONAL** - GSAN will provide a **welcome reception** just for BOOST grantee organizations on the late afternoon/evening of Wednesday, September 7. All staff from BOOST grantee organizations are welcome to attend for networking and conversation with GSAN staff. Look for this on the schedule when you arrive!

CHECK YOUR INSURANCE STATUS
Has your Certificate of Insurance that is uploaded to the MyGaDOE portal expired? If so, please ensure that GaDOE and GSAN have a copy of an updated COI. Taking care of this early will prevent budget and invoice delays in the future. Your organization's Coordinator can upload a new COI as needed to the Attachments tab of the MyGaDOE Consolidated Application. Please also mail a copy of any new COI to boost@georgiavoices.org.

Reminders & Updates

YEAR 2 AFTERSCHOOL BUDGET UPDATES
GSAN is nearing completion of the pre-approval process for all Year 2 afterschool budgets that have been submitted. You'll receive additional information and detailed instructions for next steps when your budget has been fully pre-approved. Please consult the Budget Status List if you are unsure of your current budget status, and keep an eye on that document -- we anticipate dozens of updates in the coming days!

INDEPENDENT LIVING FUNDS FOR FORMER FOSTER YOUTH 18-22
Does your program serve young adults ages 18-22 who experienced foster care in Georgia

as a teen? If so, our friends at the Department of Family & Children Services would like to encourage you to spread the word about pandemic relief funds available for rent, transportation, utilities, and other living expenses for these youth. These funds will only be available until September 30, 2022 so ask them to APPLY TODAY!

MONITORING WEBINAR AVAILABLE

Did you miss the webinar sessions on monitoring for the BOOST grants program? If so, you can access the recording on demand. Also available in PDF form:

- GSAN Presentation (Program Implementation Monitoring)
- GaDOE Presentation & Monitoring Packet (Financial & Construction Monitoring)
- *All of these and more can be found on the BOOST Resource Hub. If you would like to request technical assistance to better understand the monitoring process, please reach out to us at boost@georgiavoices.org.*
