GaDOE provides guidance for virtual and at-home learning activities. 21st CCLC subgrantees should adhere to established internal Local Educational Agency (LEAs) and agency (non-LEAs) guidelines for program operation when establishing schedules for virtual learning opportunities. (04/22/20) GaDOE lays out conditions and virtual activities for which 21st CCLC staff can be paid. GaDOE still awaiting guidance on reporting guidelines and encourages subgrantees to enter student program attendance data, administer surveys where feasible, and maintain communications with External Evaluators. (04/22/20) 21st CCLC programs are encouraged to schedule make-up days but GaDOE has not established a requirement. GaDOE lays out guidance for additional programming hours. GaDOE states lessons plans can be used to supplement time documentation not detailed work logs. (04/01/20) GaDOE encourages subgrantees to record virtual student attendance data but days missed due to extended closures and lower average daily attendance totals will not negatively impact 21st CCLC subgrantees. (04/22/20) GaDOE states subgrantees may modify the number of hours provided to students engaged in virtual programming. (04/22/20) GaDOE has not established guidance for onsite summer programming but encourages subgrantees to plan for virtual summer learning activities. (04/22/20)</td>

Ensure children have safe access to meals otherwise provided by the school

• Access to food is becoming more of a challenge for families as incomes diminish and increased exposure risks in food distribution

| | Families First Coronavirus Response Act (03/18/20): Gives states the option to provide meals as they would under federal programs (e.g. School Lunch Act) during school closures | GaDOE waiver; local school district application | | |
| | • A CARES Act grant for GaDOE/local schools of about $400 million will be available for FY21 and be available for food donations, mental health services, nurses, and more. | | • GaDOE applied for a waiver for meal service flexibility. (03/13/20) • All 181 school district applications been approved and are feeding families. (03/19/20) • A list of student meal pick-up info by local district has been compiled by GPB. • DFCS and GaDOE are working together on a possible move to give food stamps to families whose children typically receive free or reduced-price meals at school. • DOE is in communication with school districts about developing protocols to protect grandparent caregivers who are coming to pick up meals at food distribution sites in line with public health guidelines. (DFCS Communications, 03/30/20) • Dougherty County, a hotspot of COVID-19 with nearly 1,000 cases, suspended food delivery temporarily to protect the safety of food deliveries after a school nutrition worker tested positive for the coronavirus. More than 80% of the county’s students are economically disadvantaged. (04/06/20) | |
