<ul style="list-style-type: none"> Support teachers in learning how to educate in this new way 			<ul style="list-style-type: none"> Parents are encouraged to reach out to counselors, administrators and other support staff from schools if overwhelmed with blended learning demands; if the districts are not responsive, contact GaDOE by emailing schoolsafety@doe.k12.ga.us and they can assist. If parents are being reported for educational neglect during the crisis, alert GaDOE at schoolsafety@doe.k12.ga.us and they can look into the situations. A map of public WiFi is available here. GaDOE is partnering with the Georgia Foundation for Public Education & Verizon to donate digital devices, preloaded with software and books. An estimated 660,000 devices are needed. Tax-deductible donations to help get digital devices into students’ hands can be made at www.gfpe.org/invest. GaDOE’s Office of Teaching and Learning offers digital learning planning resources. More digital learning resources are available from Get Georgia Reading. Amerigroup has worked with DFCS to provide iPads to some children in foster care to ensure their continued access to online education. Jigsaw Interactive is stepping up to help schools by providing access to virtual classroom software, at no cost, from now through the end of the school year. (Interested schools can call 877-571-0004 (x2285) / email customerassist@jigsawinteractive.com.) GaDOE and GPB have launched the Georgia Home Classroom initiative, an instructional TV broadcast, with a library of digital learning resources (currently PK-5; middle and high school to come). GaDOE has a list of training opportunities and resources for educators to learn how to teach virtually.
