

Why Afterschool Makes “¢ents” for Georgia

Afterschool and summer learning programs across Georgia are unique, safe spaces that serve more than 280,000 of Georgia’s young people providing a wide range of benefits backed by research that support their physical, academic, and social-emotional well-being.

GEORGIA’S AFTERSCHOOL PROGRAMS:

IMPROVE ACADEMIC OUTCOMES

Afterschool has been shown to increase test scores, improve grades, lower retention rates, and increase school day attendance.

DECREASE JUVENILE CRIME

With juvenile crime peaking during the hours of 3 to 7 PM, afterschool programs provide safe havens for Georgia’s youth and relationships with caring adults.

REDUCE DRUG & ALCOHOL DEPENDENCE

Afterschool programs can cut the risk of addiction to drugs and alcohol in half.

SUPPORT WORKING FAMILIES

Afterschool and summer learning programs help parents and caregivers maintain stable employment and give them peace of mind.

PROMOTE HEALTHY LIFESTYLES

Afterschool programs reduce obesity by providing access to nutritious foods, keeping kids physically active, and promoting healthy habits.

CREATE THE WORKFORCE OF TOMORROW

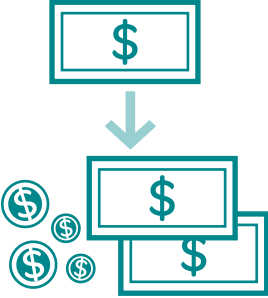

Afterschool and summer learning programs provide youth with hands-on, project-based learning and prepares them for the 21st Century workforce.
