Take Action!

CALLING ALL YOUTH-SERVING PROFESSIONALS AND VOLUNTEERS: TAKE THE POWER OF US WORKFORCE SURVEY TODAY!

Millions of professionals and volunteers work with young people every day in the many settings where youth play, learn, and grow outside of the school day. On athletic fields, in afterschool programs, in libraries, in faith-based institutions, youth-serving professionals and volunteers are making a difference every day. Through the [Power of Us Workforce Survey](#), youth-serving professionals and volunteers can contribute to a national effort to explore, define, and elevate youth fields workforce and their essential work with youth. **We need you to ensure that Georgia is well-represented in this national survey -- please add your voice and encourage your colleagues to do the same! GSAN needs this data to effectively address workforce issues facing youth-serving organizations in our state!**

And there are incentives! Every month the American Institutes for Research will randomly select 10 participants who will receive a \$100 Amazon gift code. The earlier you complete the survey, the more chances you have to win. PLUS, if you are willing to invite GSAN to one of your staff meetings to provide a 15-minute overview of the survey, you'll be entered for a chance at another \$50 gift card to the store of your choice!

2022-2023 AFTERSCHOOL GRANT AWARD NOTICES

Grant Award Notices for 2022-2023 afterschool awards are now available in the MyGaDOE portal **for those organizations that have submitted their Unique Entity ID (UEI)**. GANs can be found in the attachments tab of the Consolidated Application and should be kept for your records. If you believe you should have received a GAN but do not see one uploaded, please let us know at boost@georgiavoices.org.

ASYD CONFERENCE ATTENDEES & SPECIAL SESSIONS

Remember that GSAN is paying all or some (depending on when you registered) of your ASYD Conference registration fee. If you registered for the conference but can't attend please use the confirmation email to cancel that reservation or contact the BOOST program for assistance. Registration using the BOOST discount is limited to 2 individuals per organization; if you can't attend, please make room for another individual in your organization to take advantage of the discount code.

Please note that there will be 2 special BOOST-related events.

1. **REQUIRED** - The **BOOST workshop session** is designed just for grantees and will provide an overview of Year 1 results as well as a collaborative effort to design collective impact measures. Look for this on the schedule for Thursday, September 8. The BOOST administrative staff from your organization must attend this session.

2. **OPTIONAL** - GSAN will provide a **welcome reception** just for BOOST grantee organizations on the late afternoon/evening of Wednesday, September 7. All staff from BOOST grantee organizations are welcome to attend for networking and conversation with GSAN staff.

- [GaDOE Presentation & Monitoring Packet](#) (Financial & Construction Monitoring)
- *All of these and more can be found on the [BOOST Resource Hub](#).*

OBTAIN OR PROVIDE YOUR UNIQUE ENTITY ID (UEI)

Thank you to all of the grantees who were able to supply their UEI to GSAN. That information has been provided to GaDOE for use with your BOOST award(s). **Please keep in mind you will not be able to access your Year 2 funds until this number is obtained and provided to GSAN.**

YEAR 2 AFTERSCHOOL BUDGETS PAST DUE

If you have not yet submitted your Year 2 afterschool budget to GSAN for review, your budget is **past due**. Please contact us at boost@georgiavoices.org as soon as possible for assistance.

YEAR 1 AFTERSCHOOL & SUMMER INVOICING

If you have not already exhausted your available funds, please use the month of August to complete your invoicing for Year 1 afterschool and summer programming and drawdown any funds that will not be rolled over to Year 2. If you reported a rollover in your Year 2 afterschool budget, do not draw down those funds; you'll also have an opportunity to report a rollover for Year 2 summer, so do not draw down any summer funds you intend to rollover. ***We encourage all grantees to make every effort to complete Year 1 invoice submissions this month!***

YEAR 2 TRAINING PLAN

Please stay tuned for more information regarding Year 2 training requirements and professional development opportunities! We are intentionally delaying the release of this plan to ensure it is meaningful and helpful for grantee organizations.
