Take Action!

BOOST Town Hall Coming Up!

Date: **March 3, 10:00-11:30 a.m.**

Registration Link: [REGISTER HERE](#)

These informal forums afford grantees the opportunity to hear about program updates, share what has been working well throughout the grant process, and suggest areas in which the program can improve. Connect in real time with GSAN staff, GaDOE staff, as well as peers in the field!

2023 Summer Budgets Now Past Due

2023 Summer Budgets were due on 2/10/2023. Thank you to those of you who have submitted your budgets! We are hard at work processing budgets with help from our partners at the Georgia Department of Education; we will provide a confirmation of receiving your budget in the next day or two. If for some reason you have not yet submitted a summer budget for year 2, please do so as soon as possible by emailing your completed template to boost@georgiavoices.org.

Reminders & Updates

BOOST Training Updates are BACK!

Based on a combination of grantee feedback and assistance from GSAN's quality support department, we have re-designed our approach to providing professional development opportunities to grantees. Now more aligned with GSAN's overall training framework, the BOOST support offerings blend capacity-building administrative classes with specialized content and programming for youth development professionals.

Beginning tomorrow, the BOOST Training Update will resume periodically with calendars and resources. Be on the lookout for our new schedule of offerings in your inbox! All individuals already on the training list will receive the Update, which will feature a link that can be used by others to sign up. Just like last year, you may forward the Training Update to any employee on your team who may be interested in signing up for these regular communications.

There remain NO training requirements for the 2022-2023 BOOST year, but we are confident that you will find these opportunities worth exploring for you and your staff at all levels.

AT CAPACITY: February 24 Georgia Afterschool & Youth Development (ASYD) Quality Standards Training

Registration for this in-person learning opportunity reached capacity quickly and closed earlier than anticipated. *We no longer have available seats at this event.*

If you registered to attend this all-day training at Clayton State University, please let us

know if your plans change. We have a waiting list and will make seats available to others if possible. To report a cancellation, please email boost@georgiavoices.org.
