Upcoming Training Opportunities

4/13/23 Webinar: Non-Profit Accounting, Part 2

GSAN is partnering with the Georgia Center for Nonprofits (GCN) to offer administrative professional series that result in certificates from GCN's Nonprofit University upon completion. In the next course, participants will start with basic best practices for nonprofit organizations to categorize expenses. Participants will also learn about functional-expense reporting and other accounting issues relating to expenses and net assets. **Participants must attend all sessions to receive certificates but are also welcome to attend individual sessions.**

4/20/23 & 4/21/23 Two-Day In-Person: Afterschool Professionals STEM Workshop

STEM and STEAM are easy ways for youth to understand their world and how to solve problems in their local community. This two-day intensive is a combination of two-one day practitioner workshops, Understand Integrated STEM and Easy Way to Turn STEM into

STEAM. The first day will take participants through sustainability inspired engineering design-build to integrate STEM. The second day will use two media arts inspired technology platforms to turn integrated STEM from day one into integrated STEAM.

Registration Coming Soon
