BOOST Advisory Council Meetings Are Starting Again!

The first Year 3 BOOST Advisory Council Meeting will occur **September 26, 2023, at 11:00 AM**. During this critical Year 3 meeting, we will discuss preliminary findings from Year 2 ASP reports, council membership applications, and collaborate regarding key considerations and supports needed as we prepare for the closeout of the BOOST Grants Program in 2024.

All members of the BOOST Advisory Council are requested to join us for the critical meeting. As a reminder, member organizations should:

- Should not have more than one representative from a single organization. Please [check this list](#) to confirm the representative we have on record for your organization's membership.
- There is a time commitment of 1-2 hours per month, with meetings only occurring quarterly. Additional opportunities, with extra time requirements, will be available optionally in sub-groups or special projects.
- The council's purpose is to support the overall goals of the BOOST Grants Program by providing feedback on program plans, assisting with evaluation efforts, and contributing to peer learning and quality supports.
