County of Residence Survey Instructions

Please report the total number of youth served in each Georgia county through your BOOST-funded program(s) during the reporting period.

- Report youth based on the county where they reside.
- The total reported across all counties should equal your program's total number of unduplicated youth served reported in FY26 Annual Report Part I.
- If a youth participated in both your afterschool and summer enrichment program, count the youth for each service period.
- If your program received braided funding, including BOOST funds, report all youth served by the program.
- If you did not serve youth in a county, leave the space blank.
- Review all entries for accuracy before submitting.

Which program period(s) did your organization provide services? Select both if year-round.
